

Coupon Policy (Effective April 3, 2017)

Crest Foods has the right to accept, decline or limit the use of ANY coupon(s). Crest also has the right to limit the quantity of coupons and/or items purchased in a single transaction, by a single Customer, or in a single day.

Manufacturer Coupons:

- Limit one (1) coupon (manufacturer or printable) per item purchased. Crest will not accept digital coupons displayed on a device.
- To ensure product availability for all customers, Crest Foods limits redemption to 4 (four) of the same coupons (manufacturer or printable) for the same item in the same day per customer. For example, if you have 5 of the same coupon and have purchased 5 items, Crest will only accept 4 of the 5 coupons.
- Crest will not accept other retailers in-store coupons or manufacturer “good only at [another retailer]” coupons.
- The total coupon value cannot exceed the price of the item. No cash back will be given nor will cash back be applied to other purchases.
- Crest does not double coupons.
- Crest will not accept coupons without an expiration date. Expired Coupons will not be accepted.
- Sales taxes will be applied in accordance with state law, regardless of any coupon or other discount that may apply to the purchase transaction.
- All applicable bottle and packaging deposits on the purchased and free items must be paid by the customer.
- Crest does not accept coupons for Resale Customers or Vendors.

- Internet printed coupons must be capable of scanning at checkout or they will not be accepted.
- Crest will not accept “free product” internet printed manufacturer coupons.
- Crest will not accept Internet printed coupons that are blurry, out of proportion or appear to be altered in any way.
- Legitimate printable coupons will not be for a high value relative to cost. For example, a \$2 off coupon will be acceptable for a product that normally sells for \$5 or more.
